RRF Requirement No.

RR/RTA/E/857/56

Priority

USSR

Moscow Area

167

Industrial

Guided Missile

Measure Requested:

Request blanket scan with report on location, layout, and orientation of surface-to-air guided missile launching sites and associated facilities in the Moscow area. Specifically: (1) on scale of 1:300,000, we request an overlay which shows all launching sites appearing in Moscow area, highways connecting the various sites, location of associated storage, assembly, truck-trailer depot, or supply facilities. Wherever construction appears in process or recently completed (4-6 mo.) for any element of the system request this be noted. (2) From photography, request detailed layout, measurement, and PI of missile storage and assembly plant, noting particularly construction stages, which appear to be in process.
